

Misson Heroes Game

Presented By

Record Breakers

About the Project

Project is about making game for kids which is motivate them to do daily activities and task that is improve there life and make this more discipline with good attitude and behavior.

We make design nearly to be classified as UI/UX added with logo and visual identity to make the game familiar for both genders and parents as well.

The game is built on process (do to earn) the kid do activity to earn coins to buy new costumes to his character.

There are main characters (Boy,Girl) and another assistants characters like Owl and Mushroom.
